

Protecting your private information

Connexions Cumbria is committed to protecting your privacy.

Your school has given us your contact details, together with your date of birth and parent/carer contact name. Any further information kept about you will be information you give to us when talking to your Personal Adviser.

This information will not be passed to anyone without your permission unless there is a legal requirement or duty for Connexions to do so, or if there is a risk of serious harm or threat to your life.
